CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

(i) *re: Hardship caused to the students due to revengeful attitude of Staff Members Junior College, Sakleshpur*

SRI K. M. RUDRAPPA (Sakleshpur).—Madam, I call the attention of the Minister of State for Primary and Secondary Education to the hardship caused to the students due to the revengeful attitude of the staff members who are tuition-minded and purposely give low marks to students at Sakleshpur.

SRI S. M. YAHYA (Minister for University Education and wakfs) — Madam on behalf of the Minister of State for Primary and Secondary Education, I wish to make the following statement.

During the year 1976-77 the percentage of passes in 8th Standard was 52.4% and more than 75% in 9th Standard in the Government Composite Junior College, Sakleshpur, Hassan District Therefore, the percentage of passes cannot be considered low. Even during the year 1975-76 the percentage of passes was almost equal to the number of passes during the year 1976-77.

Sakleshpur is situated in a hilly area. The majority of the students are coming from villages to attend this Colleges, Due to geographical situation of the area an also due to the position that the majority of the students belong to weaker sections of the society, many of the students do not attend the classes regularly and this has hampered their progress.

It is reported by the Principal that no instance of the teachers being engaged in private tuition has come to his notice. The results have been declared in accordance with the rules of promotion and no injustice has been done purposely or revengefully by the concerned teachers on the subject.

Some teachers have been working in this Institution for a long time and the question of their transfers will be considered.

(*ii*) *Re: Serious Situation due to non-release of loans in cash and forcing Societies to purchase seeds from out of loans by Bellary District Co-operative Bank.*

SRI B. SATHYANARAYANA SINGH (Hospet).—Madam, I call the attention of the Minister for Co-operation to the serious situation that has arisen due to non-release of loans in cash and forcing the societies to purchase seeds from out of loans by Bellary District Co-operative Bank.

SRI D. K. NAIKAR (Minister for Municipal Admn. and Political pensions).—Madam on behalf of the Minister for Co-operation I wish to make the following statement.

The Bellary District Central Co-operative Bank is one of the weak District Central Co-operative Banks. Its recovery position has not been satisfactory. The Reserve Bank of India did not extend any help during the year 1976-77 as the level of recoveries was low. They have however since sanctioned a credit limit of Rs. 100-00 lakhs for year 1977-78.

In the meantime the Bank has made preliminary arrangements for keeping ready the sanctions of loans to the Societies for being disbursed out of the credit limit of Rs. 100 lakhs operatable from the 1st July. 1977. Loans thus sanctioned from 1st May 1977 for Kharif are to the extent of Rs. 127.09 lakhs of which Rs 51-41 lakhs are to be in cash and Rs. 75-68 lakhs in kind. Out of this Rs. 36-28 Lakhs are for small farmers and Rs 90-81 lakhs for big farmers Out of its limited resources it could disburse so far only an amount of Rs. 6-93 lakhs in cash and Rs. 15-30 lakhs in kind, of which 70% has been disbursed to small and marginal farmers. The balance is expected to be disbursed hereafter, now that the Reserve Bank of India have sanctioned a credit limit for the current year.

With regard to the kind component of Rs. 15-30 lakhs disbursed, it is seen that the whole amount pertains to Fertilisers supplied to the members by the Societies after procuring the same only from the Taluk Marketing Co-operative Societies and Karnataka State Co-
